CUNDLES HEIGHTS PUBLIC SCHOOL
 SIMCOE COUNTY DISTRICT SCHOOL BOARD
 BARRIE, ON

PEARSON ENGINEERING LTD. was retained for the Site Renovations at the Cundles Heights Public School. The Site Renovations consisted of improvements to the parking, driveways, sidewalks, curbs, walkways, bus loading areas, and drainage patterns. PEARSON was responsible for the overall tender process as well as coordination with the geotechnical and lighting consultants, and the surveyor and the incorporation of their works. Onsite Inspection Services were provided during the project execution.
